

DO YOUR PEOPLE NEED TO BE RE-IGNITED AND INSPIRED...

TO MOVE FROM MEDIOCRITY TO

MASTERY?

WOULD YOU LIKE TO IMPROVE MORALE AND PRODUCTIVITY?

The good news is your people have untapped reserves of talent and creativity even they don't know about. And if unleashed through the Art of Mastery, your people can continually:

FIND OUT HOW

- 🎨 **Overcome Obstacles and Reduce Stress**
- 🎨 **Spark Creativity and Innovation**
- 🎨 **Embrace Change and Take Risks to...**

Improve Morale, Productivity and Results!

Through her entertaining keynotes and workshops, business and healthcare speaker, Nancy Noonan, re-ignites her audiences. In her motivating signature keynote, Nancy reveals the powerful connections between the Success Strategies of the Master Artists and successful people in the workplace.

Nancy's Newest Publication:

EVERY DAY, EVERY CHALLENGE, EVERY PROJECT BEGINS AS A BLANK CANVAS.

WHAT MASTERPIECES ARE INSIDE OF YOUR PEOPLE?

Co-authored with Deepak Chopra & Jack Canfield

Some organizations Nancy has spoken to:

THE COLORFUL WORLD OF NANCY NOONAN

Based upon 25 years of studying Mastery, Nancy Noonan is sought out by corporations and associations to re-energize and re-focus their people. Her experience in sales, marketing and corporate development means she understands the real-world challenges people and organizations face today. Her years of teaching college art history have honed her ability to deliver great content while engaging even the most jaded of audience members.

Today as a professional speaker, Nancy makes sure her programs are both informative and entertaining; she draws on her playful nature, Irish heritage of natural storytellers and humorists, as well as her own experience in Improv.

NANCY'S MASTERY KEYNOTES & WORKSHOPS

THE ART OF MASTERY: INSPIRING EXCELLENCE IN WORK AND LIFE

In her one-of-a-kind most requested signature keynote, Nancy reveals the powerful connections between the success strategies of the Master Artists and successful people in the workplace. Improve morale and productivity to move from mediocrity to MASTERY.

THE MASTERY OF LEADERSHIP: LEADING WITH EXCELLENCE

In this dynamic program, Nancy discloses the elements of Mastery in today's top-notch leadership. Organizations learn how to grow masterful leaders who create excellent results.

BUILDING MASTERFUL TEAMS: WORKING TOGETHER TOWARD EXCELLENCE

In this highly interactive, energizing program or facilitation, team members build rapport, strengthen their communication and reduce misunderstandings and conflict. A win-win for all.

WHAT OTHERS SAY

You made them think, you made them laugh. And you made me look great! You're an association executive's dream speaker to work with. **Joan Tezak, Executive Director, American Society Of Association Executives/CO**

Companies need programs like yours to jar managers and employees out of their conventional thinking. **Dan Kalins, Senior Principal, AmiVisions Inc.**

Our participants talked about your opening session all three days! You electrified them and gave them much needed permission to go outside the box! **Lynn Maedel, Chair, Clinical Laboratory Collaborative Conference**

You made ARNA look good in selecting such an out-of-the-ordinary keynote speaker! Such unusual artistry in your delivery. You gave us the gift of excitement about ourselves and the role we play in the lives of others! **Joanne DeJanovich, Chief Staff Officer, Arkansas Nurses Association**
